

CAT Bulletin 2010

CAT Test Duration and Pattern

The duration of the test is 2 hours and 30 minutes including initial 15 minute tutorial. No breaks will be given during the test. The test consists of questions that evaluate a candidate's quantitative, verbal, and logical & data interpretation abilities. Therefore, there are a total of three sections in the test. There will be about 60 questions in the test.

At the test venue, each candidate will be seated at a desk with a computer terminal and he/she will be provided with a scratch paper for calculations. After the test, candidate must leave the scratch paper at the desk. Rough work cannot be done on any other paper/sheet, as nothing will be allowed inside the testing room.

Disclaimers Regarding Conduct of CAT

Disclosing, publishing, reproducing, transmitting, storing, or facilitating transmission and storage of the contents of the CAT or any information therein in whole or part thereof in any form or by any means, verbal or written, electronically or mechanically for any purpose, shall be in violation of the Indian Contract Act, 1872 and/or the Copyright Act, 1957 and/or the Information Technology Act, 2000. Such actions and/or abetment thereof as aforementioned may constitute a cognizable offence punishable with imprisonment for a term up to three years and fine up to Rs. two lakhs. Candidates who want to appear for CAT have to agree to a Non-Disclosure Agreement at the time of the test.

Computer based testing is a proven and reliable process that is administered to tens of millions of people each year. As with paper and pencil testing, or virtually every other human endeavor, a very small number of problems could occur that might prevent a test from being delivered and/or a result from being generated. In the unlikely event this does occur, every effort will be made to correct the problem, up to and including the administration of another test.

Sale of CAT 2010 Vouchers

Please note that a candidate needs to buy only one CAT 2010 Voucher irrespective of the number of institutes he/she is applying to. Note that the Voucher must be bought only in the name of the candidate as it appears in the school leaving certificate. If the name has been changed due to events such as marriage, the candidate must show the relevant document such as a marriage certificate and submit a photocopy at the time of the test, interview and at the time of joining a programme. SC and ST candidates must show a copy of their SC/ST Certificates at the time of obtaining the CAT 2010 Voucher from the Axis Bank branches.

Voucher once sold cannot be refunded under any circumstance including but not limited to loss of voucher, inability to read voucher number due to mishandling of the voucher by candidate, candidate being ineligible for taking CAT, CAT not being a pre-requisite for a

programme, and rejection of candidate registration due to incomplete and/or wrong information. If the voucher is lost, voucher number is not readable due to mishandling of the voucher by candidate, and/or candidate thinks he/she has made mistake(s) in filling-out information during the online registration, then the candidate can purchase a new voucher and re-register online.

CAT Eligibility

The candidate must hold a Bachelor's Degree, with at least 50% marks or equivalent CGPA [45% in case of the candidates belonging to Scheduled Caste (SC), Scheduled Tribe (ST) and Differently Abled (DA) categories], awarded by any of the Universities incorporated by an act of the central or state legislature in India or other educational institutions established by an act of Parliament or declared to be deemed as a University under Section 3 of the UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of HRD, Government of India.

The percentage of marks obtained by the candidate in the bachelor's degree would be calculated based on the practice followed by the university/institution from where the candidate has obtained the degree. In case the candidates are awarded grades/CGPA instead of marks, the conversion of grades/CGPA to percentage of marks would be based on the procedure certified by the university/ institution from where they have obtained the bachelor's degree. In case the university/ institution does not have any scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing the candidate's CGPA by the maximum possible CGPA and multiplying the result with 100.

Candidates appearing for the final year of bachelor's degree/equivalent qualification examination and those who have completed degree requirements and are awaiting results can also apply. IIMs may verify eligibility at various stages of the selection process.

Prospective candidates must maintain a valid and unique email account throughout the selection process.

Note for SC/ST, NC-OBC, and DA Candidates:

If you belong to SC or ST categories, your caste/tribe must be listed in the Government of India schedule. The caste certificate that you send to IIM should be in the Government approved format and should clearly state: (a) Name of your caste/tribe; (b) Whether you belong to Scheduled Caste or Scheduled Tribe; (c) District and the State or Union Territory of your ordinary residence; and (d) the appropriate Government of India schedule under which your caste/tribe is approved by it as Scheduled Caste or Scheduled Tribe. A copy of the certificate must be sent to CAT Centre, C/O Admissions Office, Indian Institute of Management, Lucknow, Prabandh Nagar, Off Sitapur Road, Lucknow – 226013. Mention the Voucher Serial Number on the certificate. Failure to produce a copy of the caste certificate will result in the rejection of your CAT registration.

The caste certificate must be shown and a photocopy enclosed at the time of interviews. Moreover, the caste certificate must be submitted at the time of joining programmes of any of the IIMs.

If you belong to the Non-Creamy Other Backward Classes (NC-OBC), you must produce the NC-OBC certificate duly signed by competent authority and enclose its photocopy at the time of interviews. Moreover, the certificate must be submitted at the time of joining programmes of any of the IIMs. Failure to do so during the post CAT selection process will result in you not being considered under the reserved category.

If you belong to Differently Abled (DA) Category, a copy of the DA certificate must be sent to CAT Centre, C/O Admissions Office, Indian Institute of Management, Lucknow, Prabandh Nagar, Off Sitapur Road, Lucknow – 226013. Mention the Voucher Serial Number on the DA certificate. Failure to produce a copy of the DA certificate will result in the rejection of your CAT registration. The DA certificate must be shown and a photocopy enclosed at the time of interviews. Moreover, the DA certificate must be submitted at the time of joining programmes of any of the IIMs.

CAT Eligibility Verification

If a candidate is short-listed for interviews by any IIM, he/she has to comply with the following eligibility verification:

Mark sheets and Degree Certificate

A candidate must show all the original mark sheets and submit attested copies to prove his/her eligibility at the time of interview. Further, if a candidate is selected for a programme, original degree certificate and mark sheets of all semesters/years along with their attested copies must be submitted for verification at the time of joining the programme.

Reservation Category Requirements

If short-listed for interview, SC, ST, NC-OBC, and DA candidates must show the original caste/class/disability certificate and submit a photocopy at the time of interview. Further, if a candidate is selected for a programme, original certificate of qualifying degree and attested copy of the same must be submitted for verification at the time of joining a programme.

Candidates in the Final Year of Graduation

If short-listed for interview, candidates appearing for the final bachelor's degree or equivalent qualification examination must show an original certificate from the Principal/Registrar/Director of the university/institution certifying that the candidate has obtained 50% marks or equivalent (45% in case of the candidates belonging to SC, ST, and DA category) based on latest available grades/marks. He/she must submit an attested copy of the original certificate at the time of interview. For the PGP of IIMs, such candidates, if selected, will be allowed to join the programme PROVISIONALLY ONLY if they submit a certificate latest by June 30, 2011 from the Principal/Registrar of their college/institute (issued on or before June 30, 2011) stating that they have completed all the requirements including appearing for supplementary exams if any (the results may, however, be awaited) for obtaining the bachelor's degree/ equivalent qualification on the date of issue of the certificate. Their admission will be confirmed only when they submit original mark sheet and qualifying degree certificate of having passed the bachelor's degree / equivalent qualification referred to in the certificate issued by Principal/Registrar of their college/institute. They must obtain at least 50% marks or equivalent. They also must submit an attested copy of the mark sheets and qualifying degree certificate. The deadline for submission of the mark sheet and the certificate is December 31, 2011. NON-FULFILLMENT OF THIS CONDITION WILL AUTOMATICALLY RESULT IN THE CANCELLATION OF THE PROVISIONAL ADMISSION. Provisional admission will also be cancelled if it is found that the certificate (Annexure E) is found to be incorrect subsequently. IIMs would not allow any candidate to join their programme in case the candidate is unable to complete all the requirements for a bachelor degree on or before June 30, 2011. The IIMs would also not offer admission to any candidate after June 30, 2011.

How to tackle the online CAT-2010

The most pressing question on the minds of the students is 'How do I tackle the Online CAT?' However, the most obvious thing that one notices in the question is the emphasis on the 'Online' aspect more than the one on 'CAT'. Well the answer to this question is to keep it simple and not to worry about the 'Online' format as much as the 'content' of the paper.

One can get familiar with the Online format through the "CAT 2010 Practice Test" on <http://catiim.in/> and through online mock tests.

The key to doing well on CAT has always been

- 1) Sound preparation
- 2) Getting the Basics right
- 3) Plenty of practice on Sectional Tests
- 4) Taking a good number of Full Length Mock CATs (Online) simulating all possibilities
- 5) Self-belief

'Sound preparation' encompasses looking at questions from previous years' CATs and understanding the 'syllabus' of CAT. First, one should make a list of all ics/areas on which questions have been asked in Quantitative, Logic & Data Interpretation and the Verbal section.

Then, one should assess whether one is 'proficient', 'average' or 'needs improvement' in each of those areas. The areas that fall in the third category is what one should look at quickly addressing rather than hoping that questions from that area do not come in CAT2010!

The IIMs, through CAT, test the students on their understanding of basic concepts and this is where 'Getting the basics right' plays a vital role. Often students look for the toughest material to practice without realising that their understanding of concepts as simple as LCM & HCF is not as good as they think it is.

CAT has often trapped students with simple and elegant questions that probe into their understanding of the basics. A quick recap of all the chapters in Quantitative and the concepts involved in each of them would go a long way in rectifying this.

One key aspect of CAT has been its unpredictability in terms of the pattern, the question types, areas emphasised and the difficulty level. However, CAT 2010 has eased the unpredictability to an extent by mentioning the pattern beforehand (3 sections with a total of 60 questions).

Students should try to strengthen their performance in each section in terms of speed and accuracy by practicing on a good number of sectional tests. Students should also ensure that they get enough practice of all kinds of full length papers through a comprehensive Mock series program.

This ensures that one is exposed to relevant and plausible question types which increases one's capacity to deal with any surprise in CAT2010. However taking lots of mocks is not the only preparation strategy - analysing the mocks after the test is over and learning from ones mistakes is, in fact, a key step, which students often overlook.

Finally, the most important ingredient in tackling CAT 2010 successfully is self-belief - the conviction that the effort that one has put in over the past months will yield positive results.

Constant worrying about the end result only makes the task much more difficult to accomplish.

So keep your spirits high and elevate your level of preparation in the next one month leading upto CAT. Success will belong to those who can follow this advice religiously and keep up their belief quotient.

Testing will begin at 10 AM and end at 12:30 PM. If you have registered for Session 2 (afternoon session), candidate check-in will commence from 1:30 PM.
